OFFICIAL

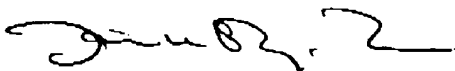

Dear Sir/Madam:

We note that an Ex Parte Quayle Action in regard to the above referenced patent was mailed on August 27th 2003. We have not yet received this correspondence and believe that it may have gone to a former address. We had faxed a Change of Correspondence Address Application at the beginning of August (original followed by mail), however, we note from the online status information that it was recorded only in September. Therefore, we believe the Action mailed at the end of August may have gone to an old address.

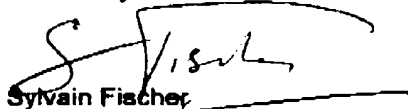

Please fax a copy of the Ex Parte Quayle Action to the number appearing with the Correspondence Address on file? This number is in Ireland and is as follows: +353 1 209 1920. If it cannot be faxed, I would appreciate it if you could please forward another hard copy.

Please contact me at +353 87 236 3743 if there are any problems. Thank you.

Kind regards,

Janice Olyarchuk
